

Please contact this office immediately if any information on this license is incorrect.

The license renewal application and fee are due every two years BEFORE the anniversary date. Please note that it is the responsibility of the license holder to remit the licensure fee before the expiration date, whether a payment notice is received or not. Failure to submit the renewal fee before the expiration date will result in a \$100.00 delinquent fee for each location and must be remitted before the license will be issued.

A license that is amended, including a change of name, ownership, or a notification of a change in the location of a licensed place of business will require submission of new application and fee. This license is non-transferable.
